From reception of an order form, Racing Shop informs its customer about the delivery date of the built Lancia Ypsilon Rally4, ready to run. This delivery will take place in Stellantis Motorsport Racing Shop in Gonesse (France, 95). Our customers have to organize transport with truck or trailer able to collect the Lancia Ypsilon Rally4.

Incoterms: Ex-Work (freight and delivery not included and should be organized and arranged by the customer).

Two weeks before planned delivery date, the customer has to proceed to the complementary bank transfer to pay the completeness of the order amount. At the customer's request, a pro-forma invoice could be established. In the event of this final payment not being received in time, we reserve the option to sell the kit/car to the next customer.

Stellantis Motorsport Racing Shop does not deliver any part from the kit before the complete payment of the kit by the customer.

The delivery day, the customer has to respect scrupulously the current safety standards in particular in terms of protection and transport.

Racing Shop presents to its customer the invoice for the Lancia Ypsilon Rally4 vehicle purchase as well as the other possible documents relative to the vehicle. French registration documents could be sent further.

The possible missing parts will be shipped as soon as possible to the customer, at the expense of Stellantis Motorsport Racing Shop.
